

Breaking Distance Limits Scanning All

Take Your Supply Chain Warehouse Efficiency to the Next Level

AUTOID Q7-(Grip) Industrial-Grade Handheld Computer

Scanning speed: 3 scans per second

Long-range scanning

15m

Short-range scanning

50mm

Superior Wi-Fi Performance

Effectively address three main challenges

- Inadequate signal coverage
- High density of AP deployment
- Unstable data transmission in stereoscopic warehouses

Detachable Pistol Grip

Professionally ergonomic design and a detachable pistol grip to meet various scenario requirements

Industrial-Grade Quality Protection

- IP65, 5.8 ft./1.8 m marble drop resistance
- Challenge to various harsh conditions
- Keyboard life reaches up to 6 million keystrokes

Optional for 3 Keyboard Models

- **29 Keys:** Numeric keypad, large keys, precise typing
- **38 Keys:** Numeric + function keypad, independent function keys, no mapping required
- **47 Keys:** Numeric + function + alphanumeric keypad, full keyboard combination application, fast input
